

# 10TH-12TH GRADE STUDENT COURSE PLANNER

Name: \_\_\_\_\_ Student ID : \_\_\_\_\_ Date of Visit: \_\_\_\_\_

This planning sheet outlines suggested course pathways based on common educational goals. Pathways assume successful completion of prior courses and any prerequisites. They are not mandatory but serve as a guide for optimal success during and after high school.

## HIGH SCHOOL EDUCATIONAL PATHWAYS

PROGRAM TYPE	POST SECONDARY PATHWAY
TRADITIONAL	Prepares students for the workforce, military, or technical/community college.
COLLEGE PREP	Prepares students for community college or a four-year university.
ADVANCED SCHOLARS AND AP CAPSTONE	Prepares students for admission to competitive four-year universities.

## INSTRUCTIONS FOR COURSE PLANNING SHEET COMPLETION

### Page 2 – Core Academic Course Pathways

Circle one academic course based on your subject area, grade level, and educational goals.

### Page 3 – Elective Offerings

Select 6 electives and number them in priority order (1–6). Do not use “X” or other marks.

**Note:** You are not guaranteed your top choices, so choose carefully.

### Important:

This planning sheet is for discussion with parents/guardians, teachers, and counselors to align with your post-secondary goals. Keep it with you for the online course request process, which will occur in your English class February 23–March 5.

If you do not have an on-campus English class, your counselor will meet with you individually—be prepared with this sheet at all times.
