

Accelerate Your  
Education with...

# Dual Enrollment

Apply to PHSC as a Dual Enrollment Student.

APPLY NOW

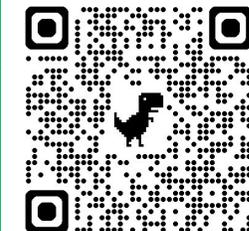

After your application is processed, you will receive an email with your PHSC Student ID number. Register to take the PERT and provide your HS counselor with a copy of your test scores.

Complete the “Online Orientation” and “Online Readiness Course” both found under the tab “Related Pages” on the PHSC website.

PERT  
REGISTRATION

Monitor the Howler Hub every week. Once the upcoming semester information is released, you will have strict CCHS deadlines to adhere to for completion of the Dynamic Forms (ie. Terms & Conditions).

Once your classes have been approved through the DF process, you must monitor the Howler Hub for “next steps” with DE course registration. You will register through BANNER via the PHSC Bobcat Portal.

Within 48 hours of your DE registration being finalized with PHSC, you must provide a copy of your PHSC DE schedule to your HS counselor. Adjustments to your HS schedule will be made, if possible.
